CASA is building our path to the future…
CASA está construyendo nuestro camino hacia el futuro….

CASA de Maryland is building our path to the future around the patio of our new headquarters – the CASA de Maryland Multicultural Center at the Harry and Jeanette Weinberg Building. This path will represent a legacy of your contribution to CASA's community.

Bricks and pavers will be laid in the patio of the CASA Multicultural Center at the Harry and Jeanette Weinberg Building. Our new Multicultural Center will house several non-profit organizations and provide essential programs and services to the low-income multicultural community.

Help build a legacy at CASA's new headquarters! Buy a Brick! Compra tu ladrillo!

With a contribution of $100 or more we will dedicate a 4" x 8" brick.
Patio blocks (2 ft x 2 ft) are available for $500.
Buy a brick before June 30, 2009 and we will include your dedication in our walkway.

Inscription ideas include:

- Your own name, your family's name or your children's names.
- Grandparents can buy a brick for their grandchildren.
- A memorial or tribute to a loved one.
- Your organization's name.
- Honor a bride and groom on their wedding.
- A special birthday wish.
